

# Guatemala Missions Application

---

**Description of the trip:** We are sending a crew of 18 staff and senior high students to engage in the work we are partnering with in Guatemala this year. This team will serve with Chad and Marlana Smith who are BHBC missionaries. BHBC and Chad have begun a relationship with Pastor Jorge that is ministering to a community in Villa Neuva. (A village near Guatemala City) The team will be helping run a summer camp which will involve relational pursuit of 50 poor children. We will be showing them the love of Christ through a positive week at camp.
