HONOR

Letting others know you see how valuable they really are.

Every person has value, not because of what they do, but because each and every person has been put together by God. When God created people, He made them in His image. That means every person alive today has been put together in the likeness of God. So every person has value. And it's our job to help everyone feel like they are valuable. When we show other people how valuable they really are, we are showing them honor.
