# Get into God's Word!

## GIGW New Testament Packet 5

**Goal** – To get students reading and spending time in God's Word. X6 students will be reviewing the main topics from Sunday mornings, getting a 'bird's eye view' of Scripture and memorizing the books of the Bible as well as a few key verses.

**Earn money for trips**- To earn money each student will read the scripture as indicated on the GIGW page and provide a short answer to the study questions. Students are then asked to write down (by hand, not computer) the books of the Bible or the verse for each day. Yes, that's every day, the same books or Bible verses each day.

Memorization happens through repetition.

**To receive credit**- Turn in the completed GIGW packet to your X6 teachers
